## Several Major Lotto Changes Coming Soon

*Freeplay Replay Ends; Pick 4 Begins Sept. 21*

The Iowa Lottery will intro-

duce the Pick 4 lotto game on Sept. 21. Freeplay Replay will end on Sept. 20.

All players, especially Pick 3 players, will like this new game. It's played in much the same way as Pick 3, but players pick their favorite four numbers in Pick 4. They may play a box, straight, straight/box, front pair or back pair. (Front pair: player matches the first two numbers exactly; back pair: player matches last two numbers exactly.)

Players may use a play slip or ask for an easy pick to play their numbers. Pick 4 will have two drawings, one midday at 12:40 p.m. (Mon. - Sat.) and one in the evening at 9:20 p.m. (Sun. - Sat.). Iowa's game will use the Pick 4 numbers drawn by the Illinois Lottery.

After Aug. 20, the number of multi-draws that can be sold for Freeplay Replay is limited. Look on Page 3 for a chart about selling multi-draws.

*Pick 3 Midday Draw, Front/Back Pair Begin Sept. 21*

Changes are coming to the Pick 3 lotto game!

Beginning Sept. 21, players may play Pick 3 **twice** per day six days a week—in a midday drawing (12:40 p.m., Mon. - Sat.) and in an evening drawing every day (9:20 p.m., Sun. - Sat.). Also, they may bet the new front pair and back pair options as well as the traditional options of straight, straight/box and box. (Front pair: player matches the first two numbers exactly; back pair: player matches last two numbers exactly.)

Both Pick 3 drawings will use the Illinois Lottery's Pick 3 numbers, as was done before with the evening drawing.

Retailers will receive new play slips reflecting the addition of the midday drawing and the front pair and back pair options soon.

After Aug. 24, the number of multi-draws that can be sold for Pick 3 is limited. Look on Page 3 of this newsletter for the chart that lists the number of multi-draws that may be sold.
